SUBJECT: COVID-19 Outbreak

Dear Customers and Partners,

Gorrie-Regan continues to monitor the ever-changing news about the COVID-19 outbreak. The impacts of the global state of crisis is uncharted territory for many of us, both personally and professionally.

We know you are grappling with how to keep 'business as usual' even as the world around us is anything but 'usual.'

Please know that Gorrie-Regan remains highly focused on the health and safety of our families, Gorrie-Regan family, partners, customers, colleagues and friends. The health and safety of all is our #1 priority.

Our hearts and thoughts go out to the people who have been affected by this unprecedented event and we appreciate the healthcare workers, local communities, and governments around the world who are on the front line working to contain this coronavirus pandemic.

Please know that we are vigilantly monitoring the COVID-19 situation. As of now, Gorrie-Regan offices will remain open. However, we will also utilize technology to allow those who can perform their jobs from home to work remotely as appropriate. This may result in slight delays in some business processes.

Our team is well versed in the use of video conferences, online webinars/presentations, group calls, etc. So, let's get creative together!

During this unprecedented time of uncertainty, Gorrie-Regan will put every effort forward to continue to operate a fully functioning business. As we all make solid decisions for our personal safety and safety of our families, Gorrie-Regan greatly appreciates your continued support and commitment.

BE SAFE, and GOD BLESS.

Charlie Regan, Jr. | President
